

God is love, and those who abide in love abide in God, and God abides in them.
1 John 4:16b

I love the word ABIDE. I mostly encounter it in scripture when I do weddings as it is in one of the most used wedding scriptures-John 15:10*. This word, ABIDE, means *to remain*; and in this verse from 1 John, it tells that when we remain in love, God remains in us, because God is love.

Have you ever thought about how when you show love to someone else, you show them God? Think about that for a second. Every time you tell your child you love them, every time you show your spouse love, you show them God? Every time to show love to someone else, every time you show them kindness, you show them God. Not only that, but you show them Jesus, for God shows his love for us by giving us his one and only Son.

Everywhere we go, we bring God with us. Into our workplaces, into restaurants and bars, to the gas station, the ball field, the cabin and the camper. We bring God with us because we bring love. However, I think we often forget that. We forget that we show people God when we show them ourselves and our love. After all, as 1 John 4:19, "We love because he first loved us."

I challenge you to think that every interaction you have with someone else, whether friend or stranger, is a chance to share God's love for them. Every interaction you have is a chance for God to abide in love and to enter into someone's heart.

May we always ABIDE in God's love and may we always remember that we are first loved by God through the death and resurrection of our Savior Jesus Christ. And may we be bold to share that love with others, so that they might come to abide in God's love as well.

Yours in Christ,

PB

PINE RIDGE MISSION TRIP

Ten youth and three adults headed out on July 5th for our first ever mission trip, a trip to Wanblee, SD, and the Pine Ridge Indian Reservation. On the 5th we traveled to Rapid City, SD, with a quick stop at Wall Drug in Wall, SD. After enjoying the pool and a good nights sleep, we headed out to visit Mount Rushmore. We enjoyed the memorial, museum, visitor's center, and the President's Trail.

After Mount Rushmore we headed out on Highway 44 through the southern part of Black Hills National Park. We went north to Interior and took some stops to explore the Black Hills and their majestic beauty. From there, we headed out to Wanblee, SD, where we were the first group to arrive for the week. They set us up in the TNT building (Teens Need Teens), a YMCA-like building that the community uses. We set up our air mattresses in our sleeping quarters and then waited for the other groups to arrive. Two other church groups, a Baptist group from Two Harbors, MN, and a United Church of Christ group from Medfield, MA, swelled our group total to 75. We met our Youthworks staff, had dinner, and had orientation meetings, including discussion about the shower schedule and the fact that showers were so cold, you thought they piped the water in from Lake Superior. We ended the night with Club (worship) and church group time before putting our heads on our air mattresses and dreaming.

Our kids were divided into three different work crews with kids from the other churches. Peyton, Marki, Nik, and Robbie were with PB; Jake, Wyatt, Katie, and Megan were with John, and Rachel and Tori were with Heidi. For PB's crew (called Invasion) and John's crew (called Wicked), they would work on work projects the first two days, then do Kids Club the next two (Kids Club is a day camp for the youth of Wanblee). Heidi's crew had the opposite schedule.

Throughout the week, the work crews painted, mixed paint, cleaned the TNT gym floor, cleaned the town dump so it could avoid a fine, and worked on a trailer home painting, installing insulation, skirting, filling in a trench, painting, and installing a bathroom. For Kids Club, our youth got a chance to make a connection with a local youth while playing games, reading books, doing crafts, or just hanging out. On Thursday, a group from South Dakota Youth and Family Services led a family fun day at TNT that we worked at. It was a cool community event with all sorts of activity and food.

Each night we had a different activity. On Monday night, we went into the majestic Badlands. On Tuesday, a local resident named Jerome talked to us about life on the reservation and the Lakota people. Wednesday we went to a 38 foot cross in the Badlands and had Club. On Thursday there was a community cookout. After each activity, we had Club and then church group time.

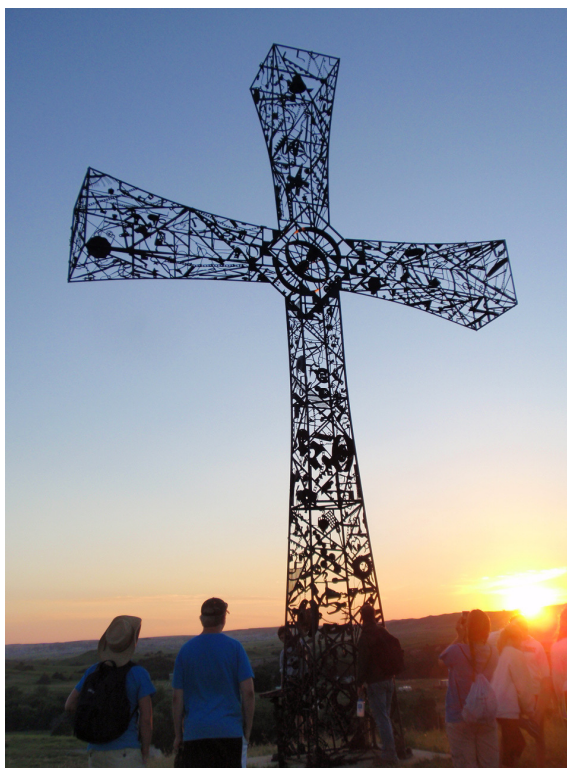

We saw many images of poverty and the stories of many of the kids we encountered were tragic and harrowing. Suicide, abuse, problems with drugs and alcohol are all every day occurrences on the reservation. Unemployment is at 85%. There is much that needs to be done and our hope was that we made a positive impact no matter how small it was.

Friday morning we got up, cleaned, and left with a stop at the Missouri River on the way back. Though we were glad to get back home, we left with a piece of ourselves back in Wanblee, with the new friends we made, and a faith that was stronger. The Mission Trip youth will be presenting about their journey on Sunday, September 7th, during worship. Thank you for your support of the Mission Trip youth!

We Give to Grow Strong

When the world is at its worst, it needs the church at its best — a strong church. We strengthen the church by giving. We give because we care deeply for Christ and his kingdom, and for the hurting humanity of our time. We give our time, our money, our energy and our talent. We give to promote and develop programs, resources, leadership, family life, evangelism and more. We give guidance, encouragement and help to those in need. We give to establish new churches, new ministries and new missions. We give so the kingdom can grow — grow strong.

Two Kinds of Churches: Live Ones and Dead Ones

The anonymous wit who wrote the following words was no doubt a bit excessive, but many may think he has made some astute observations. He wrote:

- A live church has parking problems; a dead church has lots of empty spaces.
- A live church will have changing programs and ministries for service; a dead church says, "We've always done it that way".
- A live church has lots of noisy children and youth; a dead church is very quiet.
- A live church's expenses often exceed income; a dead church has enough money to maintain its existence ... but barely.
- A live church supports missions enthusiastically; a dead church keeps its money at home.
- A live church moves out in faith and takes risks; a dead church lives totally by sight.
- A live church welcomes new people into leadership; a dead church is cold to new people.

WOMEN OF TRINITY NOTES

The summer is quickly flying by; here we are in August already. I hope that you have had time to spend with family and friends doing all the things that you enjoy.

On May 28th the church was filled with people attending the funeral of a wonderful woman, Lois Oakland. We were truly blessed to have Lois in our lives. I admired her faith, strength and the kindness and love that she gave to everyone. I'm sure a lot of you felt the same way of her. I know that so many of you kept the Oakland family in your prayers and they sure needed your prayers to help them through the loss of Lois and Joyce in such a short time. Our church family will miss these two great ladies dearly.

The Oakland family gave a very generous donation, in memory of Lois, towards the purchase of our new chairs for the Fellowship Hall. We thank them SO MUCH and when you see them maybe you could let them know how much you appreciate their donation too. They sure look nice and feel so comfortable. I'm thinking that Lois would love the way they make our Fellowship Hall look.

Needless to say things did not go according to plan, do they ever? We give a HUGE thank you Brent & Jessica Larson for going down to pick the chairs up on such short notice. And thanks to Brent and Bryce for unloading them at the church and taking care of the garbage. Let's give another HUGE thank you to Paul & Peggy Danovsky, Stub & Lynda Swenson, Stan Larson and Pastor Brad for carrying them in from the shed and setting up the tables and chairs. A job well done by all!!!

We want to thank all of the ladies that attended the Women of Trinity summer gathering meal and meeting. We had a great meal, honored our golden year member, Sharon Seeger and revealed our secret sisters. It was a wonderful evening of fellowship.

We had a good turnout for the meal we served before the first Campfire Service. I thought it was quite enjoyable having a church service by the campfire and I think everyone that was there enjoyed it as well.

Upcoming events for August: Blood Drive – August 4th and the Pie & Ice Cream Social is August 17th. The 2014 Retreat at Luther Park in Chetek is August 13-14. There is information on the table in the Narthex.

Ladies, we want to get our Prayer Chain updated so if you are interested please sign up on sheet located on the table in the Narthex. The Prayer Chain is a way to get people saying prayers for people that need your prayers. It starts with the first woman on the list calling the second woman and so on down the line. This cycle creates a lot of people praying for the ones in need. Even if you weren't currently on the list of callers please consider joining the chain. What a wonderful way to extend our prayers for others.

The Lord called another Trinity member home. We would like to send our deepest sympathy and prayers to the Phil Herdahl family. Pastor Brad came into fellowship and said that Phil had passed at 9:04 just as we were starting our church service and my first thought was that he was passing just as our church bell was ringing. I remember him telling me how much that bell tower meant to him because he was the one that designed it and he didn't like it when the bell set crooked so he would go in and move the lever to straighten it. He took great pride in it and rightly so. How fitting that the bell was ringing when he went to meet the Lord.

TRINITY MISSIONS

August is “School Kit” Month

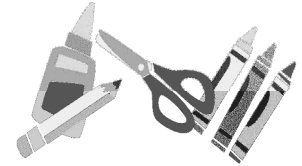

To the children who receive School Kits, these supplies mean the difference between getting an education or not. Public school is usually free, but in the places where LWR works, even a few required supplies, like pens and paper, may be more than many families can afford. When parents can only afford to send one of their children to school, girls rarely get priority...yet the education level of mothers has the biggest impact on development.

NOTE: You will find backpacks on the end of each pew including the supply list inside them needed to fill the Kit. Don't add other items or leave out any of the items listed. All items should be new. Remove all packaging. Secure pencils with a rubber band and also the pens with a rubber band. Once filled, return the packs to the Quilting Room. If you aren't able to fill a complete Kit, that's okay, you can still donate whatever school supplies you are able to. They will be used. Put them in the box. Thank you.

After the Mission Kits are distributed for our area, the extra items will be sent to the Pine Ridge Reservation. Mission Kits include: School Kits, Health Kits, and Layette Kits. The Quilting Ladies are also donating quilts that will be made with heavier insulation for the cold South Dakota winters. Donations of any kind are appreciated.

Trinity Lutheran Church,

As always I would like to extend a sincere appreciation to all the congregation that helps support West CAP's Food Pantry here in Boyceville. The last donation of non-perishable foods was much appreciated. Thank you for all that you do to help those in our community and serve the needs of those less fortunate.

Warm regards,

Giving Thanks For All Things

It's easy to list the blessings in life: good health, family, a satisfying career, a comfortable home. We might even be thankful for things others take for granted such as freedom and clean drinking water, reliable transportation and food enough to eat. Then there are the little things, such as gardens, sunrises, pets and coffee.

But what about life's storms or unanswered prayers? Should we be thankful for these? Loss and hardship remind us of our dependence on God. He uses trials to draw us closer to him, to show us that he is our rock and refuge. In misfortune and grief, we discover God's comfort and strength. Should we not, then, be thankful for the storms, too?

Volunteer Perks

Volunteering not only helps the people we serve. It also has surprising benefits for the volunteer. Serving others builds social and relational skills, increases self-confidence and boosts physical health. Studies show that volunteering can even ease chronic pain and heart disease.

So do yourself and others some good by following Jesus' example of serving.

*The two most important days in your life are the
day you are born and the day you find out why.*

—Mark Twain

Faith is to believe what we do not see;
the reward of this faith is to see what we believe.

—St. Augustine

T.H.I.N.K.

British evangelist Alan Redpath suggested these
five helpful questions to ask yourself before you
speak:

- T — Is it True?
- H — Is it Helpful?
- I — Is it Inspiring?
- N — Is it Necessary?
- K — Is it Kind?

Mission is Everywhere

The word “mission” often implies traveling to
another country to teach and work. The work
done in foreign missions is important, of
course, but we can’t all make the trip. What
we can do, however, is be faithful servants
where we live. Mission is about putting the
face and name of Jesus in front of those who
don’t know him. We can do that in many
ways — any place and any day.

PUZZLE

BE HAPPY

In Matthew 5:3-10, Jesus begins his teaching with the Beatitudes. They give us many reasons to be happy. The Greek word for blessed, *makarios*, also means happy!

Directions: Complete the Beatitudes by matching the blanks in each "Happy" phrase on the left with the bold word(s) on the right.

1. "Happy are the P O O R
I N S P I R I T

hunger and thirst for righteousness,
for they will be filled."

2. "Happy are those who

pure in heart, for they will see God."

3. "Happy are the _____

peacemakers, for they will be called
the children of God."

4. "Happy are those who

persecuted because of righteousness,
for theirs is the kingdom of heaven."

5. "Happy are the

poor in spirit, for theirs is the kingdom
of heaven."

6. "Happy are the _____

merciful, for they will be shown mercy."

7. "Happy are the

meek, for they will inherit the earth."

8. "Happy are those who are

mourn, for they will be comforted."

Happy sunshine cupcakes

Psalms 144:15 says,
"Blessed [or happy] are the people
whose God is the LORD." Make these
bright cupcakes to remember all the
ways God makes you happy.

What you need:

- Adult help
- Cake mix
- Cupcake liners
- White frosting
- Yellow food coloring
- Black frosting or tube gel
- Candy corn

What you do:

1. Make cupcakes by following directions on the box. Let them cool completely.
2. Stir yellow food coloring into white frosting, making it as yellow as the sun. Frost the cupcakes.
3. Using black frosting, make a happy face on each cupcake.
4. Around each cupcake, place candy corn with points out to resemble sun rays. Enjoy!
