PASTOR'S PAGE

Amy and I recently completed a goal, watching all of the Walt Disney Animation Studio's feature films in release order, starting with "Snow White and the Seven Dwarfs," all the way to the most recent one that was released in theaters, "Moana 2." In watching all of those movies, there were some amazing movies, like my personal favorite, "The Little Mermaid," some incredibly terrible movies, like "The Black Cauldron," and lots of good movies and average movies. It is what you would expect when you have been pumping out movies over the decades like Disney has. Some great, lots of good, some average, and some clunkers. It was a fun experiment, but it also gave me a thought.

It reminded me of what a year is like. During a year, there are some amazing moments. There are some awful moments. And there are a lot of good to average moments. Sometimes the amazing moments are so amazing that it colors the whole year. Sometimes the awful moments are so awful it does the same thing. But if we take a step back and look at the whole, that is what a year is. A collection of moments from all over the spectrum. But there is one constant. A faithful God.

In the midst of the highs, lows, and mediums of life, there is a faithful God that sits right there for us. This faithful God sends his only Son Jesus Christ to love and save us and be there for us. In the highs. The lows. The mediums. No matter what, God in Jesus Christ is there. And I think there is comfort in that. Kind of like when Amy and I were watching those movies, no matter how good or bad they were, we were in it together. Jesus Christ is in it with you, every single day, no matter what.

So as we begin 2025, there are going to be incredible highs. There might be some terrible lows. There will also be a lot of middle. But through it all, you can count on this: Jesus Christ will be there. Your faithful God will be right by your side, always.

Yours in Christ,
Pastor Brad

Quilter's Corner

As the year comes to an end I would like to reflect just a bit on our quilter ladies. We lost Shirley Dow this year. Oh, how we miss her. She always had the greatest stories and sense of humor. Her family donated a sewing machine to the quilters after she passed. This sewing machine Shirley bought with her first paycheck, and it has all the books and parts to it. It runs off a pedal on the side that you push with your knee, and it comes with its own chair that pushes into the machine and all the parts are stored inside of the chair. It is really a cool piece of history, and it takes some of the ladies back to those times when that is what they used. It's a part of Shirley that puts a smile on our face or brings up a story when we see it. Armon Hetzel is giving this sewing machine a new life. Thank you, Armon. As I reflect on the year, of course my mind isn't that good anyway, I feel this group is like another family to all of us. Some of us have lost a loved one and have been through many health crises, but I tell you the support that we get from each other is amazing. Andrea, I include you in this group as well. Don't get me wrong, there are times we don't see eye to eye, but these ladies all look forward to coming every Tuesday. The stories, the food and the passion we all share to help others with what we love to do is what matters at the end of the day! We have taken on some new places for our quilts to be shared with others and we have 2 new ladies that joined our group, Barb Doty and Char Larson. We keep saying that we need more room, but if we could just knock out a wall toward PB's office so we could just store George, would be great. If some of you don't know George, he is our giant roll of batting that takes up the whole corner of the room!! Thank you to all that have donated to our quilters, brought in fabric, helped sew tops together, did any kind of repair work in the quilting room, or used a Thrivent card or anything I forgot to mention. We appreciate all that you do so we can continue what we love. So as 2024 comes to an end, we hope and pray 2025 brings joy and happiness to all. We are truly blessed as a group and we are brought together to help others in need, and that at the end of the day our dream is putting a smile on your face and a quilt to warm your heart! From the quilter ladies we all wish you a happy and healthy 2025! Thanks for reading.

Offering Envelopes

Offering envelopes are out for 2025. There are just a few things I would like to mention about them. If you did not receive a box and you would like to have one, please let me or Andrea know, and I can get that ready for you. When I do the offering envelopes, I just go off the previous year of those that use them. If you write a check out to the church, you can just put that in the offering plate and if you need it to go to a certain place just put that in the memo, otherwise it goes to general. If you are gone and would like to catch up on your offering, you can just write out one check instead of multiple checks. That just saves you checks, but that is up to you. If you do have cash, just write your name on a plain envelope and put where it needs to go to. If you would like to set up for simply giving, there are forms at the church or just call me and I can do that for you also. Any questions just let me know.

Thank you! Becky Nyhus

2 CORINTHIANS 5:7

Puzzle!

Complete the maze to help people from all directions hear the good news. Then, starting at the N (north) and going clockwise, read John 3:16, NIV.

A HUGE CATCH

Make a catch of fish to show what happens when Jesus calls his first disciples.

What you need:

- Cardboard
- egg carton
- Acrylic paint
- Paintbrush
- Darning needle
- Fishing twine
- Scissors
- Googly eyes or buttons
- Glue

What you do:

1. From the egg carton, cut out the 12 cups. From the lid, cut out two fish tails.
2. On a protected surface, turn the cups upside down. Paint the outside of each cup and both sides of the tails. Let dry.
3. Thread the needle with an arm's length of twine. Tie a knot at the end.
4. Thread the needle through the end of the tail. Tie another knot an inch from the tail.
5. Thread the needle through one upside-down cup. Pull the twine through until the cup rests on the knot.
6. Continue tying knots an inch above each cup and threading on another cup until you've strung six cups. Tie a knot above the last cup and leave a long string to hang the fish. (You can make two fish with each egg carton.)
7. Add googly eyes or buttons to the last cup to make a face.
