# PASTOR'S PAGE

April can be a month of joy. The temperatures are warmer, the sun shines longer, the flowers start to pop out of the ground, and the trees begin to sprout with leaves. People get out and about a lot more. Cabins start to open up, baseball season and golf season starts, and spring sports like softball and track, besides baseball, also start. Spring is a time of new life, and with new life, comes more smiles, more hope, and more joy.

But it can also be hard to hold onto joy. Trust me. Even though I love the start of baseball season, I am a Cubs fan after all and it is easy for me to slip into despair after a couple of losses. As an avid golfer, as much as I love it, I can get pretty frustrated when I shank shots and miss putts. Of course, despite warmer temps and pretty flowers blooming, that brings allergies to some, causing sneezes and sickness. Of course, there is also the world and the things that happen in it, sometimes zapping our joy with tragedy, violence, and hardship. It is easy to wake up each day and only see the worst the day could bring, only see the bad news that seems to dominate our newscasts, social media feeds, and our doubts and fears.

But breaking into that darkness comes our Savior Jesus Christ. April also brings the resurrection of Jesus Christ, who defeated sin and death to bring us to eternal life. Because of the resurrection of Jesus, we have hope and we have joy. And with that, we have a choice. We can live as people of hope and joy, or we can live as people of fear and negativity. Of course, bad things do happen and we shouldn't dismiss them. But we can't let them control us or be our sole focus. There is so much joy in the world, so much life. We just have to open our eyes and hearts to see it.

As it says in Psalm 150, "Let everything that breathes praise the Lord!" May we praise the Lord every day for joy that is life. Every day, find the joy that is around you. See the gifts that God is bringing in your life. Feel the presence of the Holy Spirit and be reminded that Jesus Christ is risen from the grave, bringing you new life today and the promise of eternal life. For that we can say, "Thanks be to God!"

Yours in Christ,

Pastor Brad

## Quilter's Corner

This month we are going to chat a little about one of our newest members, Char Larson. This once again is a perfect example of you do not need to know how to quilt. Char joined because she thought it would be something different to do and she has never sewn in her life, except for Home Ec. Little did she know what she was getting into with this group of ladies. We started slowly learning the sewing machine, cutting and sewing fabric and then the serger. She is like a baby bird learning to fly. I feel with Char she flew before our eyes and has been flying high ever since. She likes to work mainly in the dining room, which some of us join her, because the quilting room is too small to fit us all. She stays busy cutting flannels, blocks for our quilts, running the serger or sewing fabric to make quilts. Char has gone from the very basics to a wonderful quilter in a very short time. In her spare time, she makes beautiful homemade cards, and I remember her telling me that making cards was her passion and quilting was just here at church. I would love to have had that recorded and play it back to her now, although time and time we remind her of that. We are so amazed at her accomplishments, and I think she is too. She has now gone out and purchased her own sewing machine and is so busy at home making diapers, baby blankets and quilts...yes I said quilts. She loves that she has made new friends and is for sure addicted to quilting and experimenting with other fabrics. She is busy making quilts for her family and keeps bringing in piles of blankets and whatever she makes at home. She still does her cards, but her passion right now is quilting. She loves hearing all the laughter in the quilting room and even though she is out working in the dining area, we are all filled in at coffee hour. She feels very comfortable and can just let her hair down with the quilters. Char continues to grow and amazes us at what she can do. When she first started and we would say try this, she would let us know she was not ready for that. She even takes bolts of flannel home and has it all cut for the next week, even has whatever sewed and done. I have never seen anyone grow as much as her. You probably don't see Char out much because she is so busy sewing at home and if you run into John somewhere and say what's Char up to, he can pretty much say she is home sewing. We are so sorry John!!! The quilters group is so lucky to have such a great friend as Char, she is lots of laughs and she puts her whole heart into what she does. Thanks for reading!

As you travel with Jesus through Holy Week, don't lose heart. He is your Palm Sunday King. He will always come to you and give you the best of what he has to offer because of his humble attitude and his devotion to his mission.

When you see this Savior who personally cares for you, you can't help but join the believers of old to give to the Lord your best and most precious treasures of your heart and life, and then to join with all believers saying, "Blessed is the King who comes in the name of the Lord! Peace in heaven and glory in the highest!"

Hello Congregation!

I wanted to get the word out that we are in need of a few additional volunteers to assist at the Food Pantry during distribution hours on Thurs from 1pm-3pm and again from 5pm-7pm. We have been consistently shorter on help with those two specific shifts. We also have some driving opportunities to deliver senior boxes to our partner sites if anyone is interested in that kind of volunteer work and lastly once a month, we are in need of people to help pack senior boxes at the 823 Main Street Boyceville location. Please feel free to reach out to Melissa J Larson for further details and to obtain a volunteer application 715-977-1191 or [mlarson@wcap.org](mailto:mlarson@wcap.org). Thanks for all you do to help support the West CAP food pantry!
